

# Accordant<sup>®</sup>

♥CVS specialty nurse care management

## Introducing our mobile app

# A new way to manage your condition

With *Condition Advisor*, our new mobile app, you can access the support and tools of the AccordantCare™ program for complex conditions on your terms. Now it's easier than ever to stay on track anytime, anywhere.

### Send secure messages to your dedicated care team.

Ask questions and share your concerns at your convenience.

### Access health trackers and questionnaires.

Keep track of your symptoms and stay on top of your vaccines and screenings.

### Find information you can trust.

Access a vast library of condition-specific information and locate nearby resources in no time. View nurse and care team bios whenever you like.

### Manage your medications and more.

View and update your medication list and personal info. Plus, sign up for email or text reminders so you never miss a dose.

Visit the [App Store](#) or [Google Play](#) to download *Condition Advisor* today.

Accordant Health Services, LLC, is a CVS Caremark® company. All rights reserved. Accordant Health Services, LLC is a wholly owned subsidiary of CVS Caremark. Additional financial information is available upon request. Our program, care team and care managers do not provide diagnostic services or direct treatment. We assist you in getting the care you need and our program is not a substitute for the medical diagnosis, treatment and/or instructions provided by your health care providers. Our employees are trained regarding the appropriate way to handle your private health information.
